

ATCHISON LEADS STOCKS IN RALLY

Brisk Buying Movement Arouses Brokers and List Scores Gains, Most of Which Are Held Until Close.

ST. PAUL SHARES ADVANCE.

Rock Island and Amalgamated Copper Also Show the Way in Rise, with Baltimore and Ohio, Pennsylvania, B. R. T. and Manhattan Following.

Under the lead of Atchison the stock market rallied this afternoon, and in a spell of brisk trading prices rose until the list averaged gains of from 1 to 2 points. Although trading fell off in the final run values were generally held.

The demand for Atchison arose when dealings were sluggish and the tone bearish. A feverish selling movement in Reading set in and was having an unfavorable influence, when Atchison was bid up and while the offerings were small quite the entire list moved up. The Exchange floor took on a scene of activity that was in marked contrast to the early day's doings. In the rise St. Paul, Rock Island and Amalgamated Copper were among the stocks which benefited most.

Atchison advanced 2 1/4 during the brisk movement and closed at 65 1/4—a gain of 1 3/4. St. Paul's final figure was 143 7/8—a rise of 3/4. Rock Island closed at 29 1/4, being up 7/8, while Baltimore & Ohio, Missouri Pacific, Pennsylvania and Union Pacific each realized a gain of 1/4.

Chicago Great Western was up 1/2, as were Southern Pacific and Tennessee Coal Iron. In the local traction group Brooklyn Rapid Transit was up 1/2 at 46, and Manhattan 3/4 at 35 1/4, while Metropolitan closed down 7/8 at 114 3/8. Fractional gains were scored in the Erie issues. Among the industrial group Steel and Amalgamated Copper were a shade over, American Smelting & Refining closed 1/2 up and the latter realized 1 per cent, with American Sugar up 1/2 at 37. Canadian Pacific, Chesapeake & Ohio, Illinois Central, Louisville & Nashville, Ontario & Western and the Wisconsin Central issues were off 1/8 to 1/4 per cent. Reading and Texas Pacific closed unchanged.

The total sales of stocks were 306,400 shares and of bonds \$1,000,000.
